DEPARTMENT OF COMPUTER SCIENCE
2007 Canadian Undergraduate Technology Conference
Application for Sponsorship

The Department of Computer Science and the Computer Science Student Society are jointly sponsoring undergraduate students to attend the 2007 CUTC. Students must be registered in a Computer Science undergraduate program and must be expecting to graduate in 2007. It is expected that a minimum of $200 will be provided to sponsor each successful applicant [1]. Students will be selected for sponsorship in part based on academic merit and in part based on the statement of interest provided below.

Completed application forms must be submitted to the Computer Science department office no later than noon on Wednesday, December 6, 2006.

Name: _____

Student Number: _____

E-mail address: _____

Expected graduation date [2]: _____

Please provide a brief statement of interest in attending the 2007 CUTC [3]:

Note:

(1) The level of funding will depend on the number of qualified applicants.

(2) Students must be expecting to graduate in May or November 2007 to qualify.

(3) Please complete your statement of interest using the Times New Roman, 12pt font with 1 inch margins to the left and right of the page and a 0.5 inch margin at the bottom of the page. Do not exceed the space provided on the first page.
