About Us

Modernistic Enterprises Inc. ("MEI") is a technology start-up in Vancouver. With current projects in web and mobile applications, MEI plans to be a leading innovative tech company in Canada. Our commitment is to be able to create life changing web and mobile applications, which will enhance users' experiences on a daily basis. Our target audience includes any computer and/or mobile users ranging from toddlers all the way to seniors.

The Role

We are currently looking for a web developer with experience in the field and the ability to work with the following software:

- Adobe CS3
- CSS
- HTML/HTML5
- Illustrator
- InDesign
- Photoshop

The candidate's primary role will be to develop and maintain websites for MEI.

This position is a temporary full-time role for duration of 6 months. Both current students and graduates are encouraged to apply, in addition to candidates who only have experience in the field.

This 6 month position will allow the candidate to gain work experience in their chosen field and throughout and upon completion, each chosen candidate be assessed and rewarded.

As a start-up company, our biggest assets are our employees; therefore, each employee has a fair chance to be promoted to a full-time returning employee upon graduation, pending on their 6 month performance.

Ideal Candidate

The following are key characteristics that the individual must possess:
- Self starter
- Proven ability to work well under pressure and meet deadlines
- Strong time management skills
- Ability to multi-task
- Take initiative
- Team Player
- Lots of Energy
- Innovator

In addition, the following are experiences/previous work that we look upon when viewing applications:

- Number of Years in Field- Prefer 1-3 years of experience in web development
- Portfolio of Previous Work- An ideal candidate should submit at least 3-5 pieces of work that they have done in the past. Preferably, they should be published.
- Credible References- It is critical for potential candidates to provide multiple references in their application.

Application Deadline: August 22,2010

As a start-up company, we are excited to move forward fast. We are starting interviews on the second week of August and will continue throughout the month. Please submit your application as soon as you can to modernistic.jobs@gmail.com .

Application Package

1. Resume
2. Brief cover letter explaining how you are the ideal candidate and why a start-up company is for you
